## TERMS AND CONDITIONS

Please let your therapist know before the start of your treatment of any recent injuries, or of any allergies or medication that you may be taking which could affect your skin

We reserve the right to refuse treatment to anyone suspected to have a nail disorder

Your nails are jewels, NOT tools!

Shellac, Gel Polish & Nail System Applications:  
**AVOID using:**  
Sun tan oils or insect repellent on your nails, as many contain solvent oils which will cause damage to polish

Some of the more delicate gel colors can fade in chlorinated water and excessive sun  
Chlorine is a bleach and sun intensifies the bleaching action

Dry your hands and nails after swimming and before sunbathing to minimize any color fading, but you could have some fading

Use cuticle oil and moisturise daily using **SOHO** So-So Silky Vitamin E Cream to replace lost moisture to your skin and nails to maintain healthy & undamaged nails
